## Overview

Sailing yacht Aegean Schatz is a classic motor sailer that combines the highest levels of service and luxury with the latest sailing technology for East Med charters. Built in 2006, this Turkish gullet is ideal for a traditional and comfortable sailing adventure with excellent entertainment options. The 30m sleeps 10 guests in five cabins and features a first-class crew of five.

The interior of the vessel is minimalist yet elegant and designed for casual lounging. A large cushioned area can be found aft that is custom-made for relaxation while the sun mattresses in the front are ideal for soaking up the sun. Find on board a range of water-toys and entertainment systems to maximize your enjoyment during your Mediterranean charter.

Luxury yacht Aegean Schatz is powered by two 400 HP MAN engines that allow her to cruise comfortably at a speed of 12 knots and reach a top speed of 13.8 knots. Featuring a dedicated and professional crew.
